Nam quis turpis a eros tempus molestie lobortis sed quam. Maecenas volutpat lacus in enim iaculis, scelerisque aliquam arcu rhoncus. Cras arcu nisi, accumsan vel accumsan sed, imperdiet eu sem. Vivamus ultrices convallis mi, ut vestibulum nibh imperdiet eu. Ut ac nisi lectus. Aenean hendrerit, nisi at commodo vulputate, sem neque sodales ante, id facilisis nibh dui et odio.

Outline

- ① Motivation
- ② Data
- ③ Conceptual discussion

Load your data

Using point and click

Figure 1: Point and click

which corresponds to the following code

```
nlswork <- read_excel("nlswork.xlsx")  
df <- as.data.frame(nlswork)
```

Table 1: Shorter statistics

Statistic	N	Mean	St. Dev.	Min	Pctl(25)	P
Collage Graduate	28,534	0.17	0.37	0	0	
Experience	28,534	6.22	4.65	0.00	2.46	
Hours	28,467	36.56	9.87	1.00	35.00
